"You and I will meet again, When we're least expecting it, One day in some far off place, I will recognize your face, I won't say goodbye my friend, For you and I will meet again." --Tom Petty "WHY CAN'T WE GET ALL THE PEOPLE TOGETHER IN THE WORLD THAT WE REALLY LIKE AND THEN JUST STAY TOGETHER? I GUESS THAT WOULDN'T WORK. SOMEONE WOULD LEAVE. SOMEONE ALWAYS LEAVES. THEN WE WOULD HAVE TO SAY GOOD-BYE. I HATE GOOD-BYES. I KNOW WHAT I NEED. I NEED MORE HELLOS." --SNOOPY "No distance of place or lapse of time can lessen the friendship of those who are thoroughly persuaded of each other's worth." --Robert Saathay "HAPPY TRAILS TO YOU, UNTIL WE MEET AGAIN."

--DALE EVANS ROGERS "WHEN I KNOW THE SCOFFOLD-AT-LAST THOSE WELLS BY THE WILL WORDS TO THE APPROX. SAY WHAT YOU WILL AGAINST ME WITH A WHOLE LOT OF INTENTIONS TO BE IN GOOD-PLACES, THAT I WOULD NEVER UNWANTED TO ANYTHING." --HENRY LAURE PERSEMAN "So many faces in and out of my life. Some will last, some will be just now and then. Life is a series of hellos and good byes. I'm afraid it's time for goodbye again." "I CAN'T SAY GOOD-BYE TO THOSE WHOM I HAVE GROWN TO LOVE. FOR THE MEMORIES WE HAVE MADE WILL LAST A LIFETIME AND NEVER KNOW A GOOD-BYE" "A memory lasts forever, Never does it die. True friends stay together And never say goodbye" "SOMETIMES WE NEED TO HOLD OUR HEAD HIGH, BLINK BACK THE TEARS, AND JUST SAY GOOD-BYE." "Never say goodbye, say farewell."

"How lucky I am to have something that makes saying good-bye so hard." "WHAT IS THE FEELING WHEN YOU'RE DRIVING AWAY FROM PEOPLE AND THEY RELEAS ON THE PLAIN TILL YOU SEE THEIR SPECKS DISPERSEING? -IT'S THE TOO HUGE WORLD VAULTING US AND IT'S GOOD-BYE BUT WE LEAN FORWARD TO THE NEXT CRAZY VENTURE BENEATH THE SKIES" --

JACK KEROUAC "A GOOD-BYE IS NEVER PAINFUL UNLESS YOU'RE NEVER GOING TO SAY HELLO AGAIN." "Don't cry because it's over. Smile because it happened." --Dr. Seuss "IT IS GENERALLY AGREED THAT "HELLO" IS AN APPROPRIATE GREETING BECAUSE IF YOU ENTERED A ROOM AND SAID "GOODBYE," IT COULD CONFUSE A LOT OF PEOPLE" --

DOLPH SUARP "Every good-bye makes the next hello closer." "This is not the end. This is not even the beginning of the end. It is, instead, the end of the beginning." "We only part to meet again." --John Gay "Sweet is the memory of distant friends! Like the mellow rays of the departing sun, it falls tenderly, yet sadly, on the heart." --Washington Irving "Why does it take a minute to say hello and forever to say goodbye?" "There are no good-byes, where ever we are, you'll always be in my heart." "Be well, do good work, and keep in touch." --Garrison Keillor "Goodbye, I am ~~leaving~~ because I am bored" --George Sanders

# The Class Of 2006 Dedicates this year's Blue and White to Frau Minns

How do you pay tribute to a teacher who for thirty years has instructed you in the German language, the finer appreciation of Spam, how to save runaway quarters, how to reuse a paper bag, how to eat German chocolate, how to sing German songs, and has sheperded over 500 VUHS students on odysseys to Germany. In English, we proudly dedicate the 2006 Blue & White Yearbook to a school treasure.

## Celebrating Ann Sullivan: The Historian, The Voice, The Speech Lady, The orator , The Destination, The Soul of VUHS

We all know that Mrs. Sullivan graduated from the first class in this building in 1960. We all know how we have come to depend on her voice to announce at Pep Rallies, gatherings and to bring senior class after senior class to graduation services. We all know how blessed we are with her in our midst. Since we all know we wanted her to know. This is a salute to Mama Sullivan and the thirty years of VUHS students whom you have touched.

HUMOR IS THE GREAT THING, THE  
SAVING THING. THE MINUTE IT  
CROPS UP, ALL OUR  
IRRITATIONS AND RESENTMENTS  
SLIP AWAY AND A SUNNY  
SPIRIT TAKES THEIR PLACE.

# A Journey of Thousands of Miles Begins with One Step : A China Odyssey

July 2005. This summer I took a twenty hour plane ride to the other side of the world. I visited four major cities in China and numerous smaller towns. I learned about the culture, religion, language history by experiencing it. I hiked the Great Wall, visited Tianamen Square, several Buddhist temples, silk factories, schools, the terra cotta warriors and much more. Most importantly, throughout the trip, I was given the opportunity to meet and make friends with local people.

Hong Kong was the most exciting and beautiful city with almost 0 crime rate. I recommend hiking around and learning from the native people.

Every journey begins with a small step.

Elizabeth White 2006

Each day of the trip was a new awakening to the world. So much to share and so much curiosity and so much to do. And to run on the Great Wall of China is an event of a lifetime. Theo Spencer

### A Long Hard Journey

by Ashlet Eriksen & Greda Weissmann

The past was unwinding before me  
My Heart began breaking inside.  
My wonderful childhood,  
Was fading away, turning to misery,  
safe and sheltered,  
are feeling we miss most,  
leave dreams for the future,  
If only the taste of a small piece of toast,  
Spun dreams,  
Of food, shelter, warmth, and love,  
To a wonderful escape  
To a wonderful escape

### Freedom: To A Wonderful Escape by Melissa Anderson

The past was unwinding before  
me.  
As memories startled to pour  
My wonderful childhood  
As it was snatched right before  
me  
safe and shielded as I dreamed to  
be  
Weave dreams for the future  
As a spider weaving her web  
Spun dreams  
We're free  
To a wonderful escape  
As er're free  
To a wonderful escape.

# In Tribute to the Life and Impact of Terri Cavoretto

*We turned around to find you gone, but realized your impact will forever live on. We see you in each sunrise and in the wonders of the world we call home.*

# In Tribute to the Life of Taylor Vigne

*Just the other day I called you my friend.  
Just the other day our time seemed it would never end.  
Just the other day I saw your laugh and smile.  
Just the other day I spent the day with you beside me.  
Just the other day we parted for the night.  
Just the other day, I called to say I am all right.  
Just the other day, we turned to find you gone.  
Just the other day we found our time was not our own.  
Just the other day we remembered you with love,  
Just the other day we came together to mourn.  
Today we carry with us your memory and your smile.  
Today we know we are only parted for a short while.  
Today we celebrate your life and all that you were. We love you.*

Photos by Majken Thomas. Poem by By Bishli Sandhyopadhyay

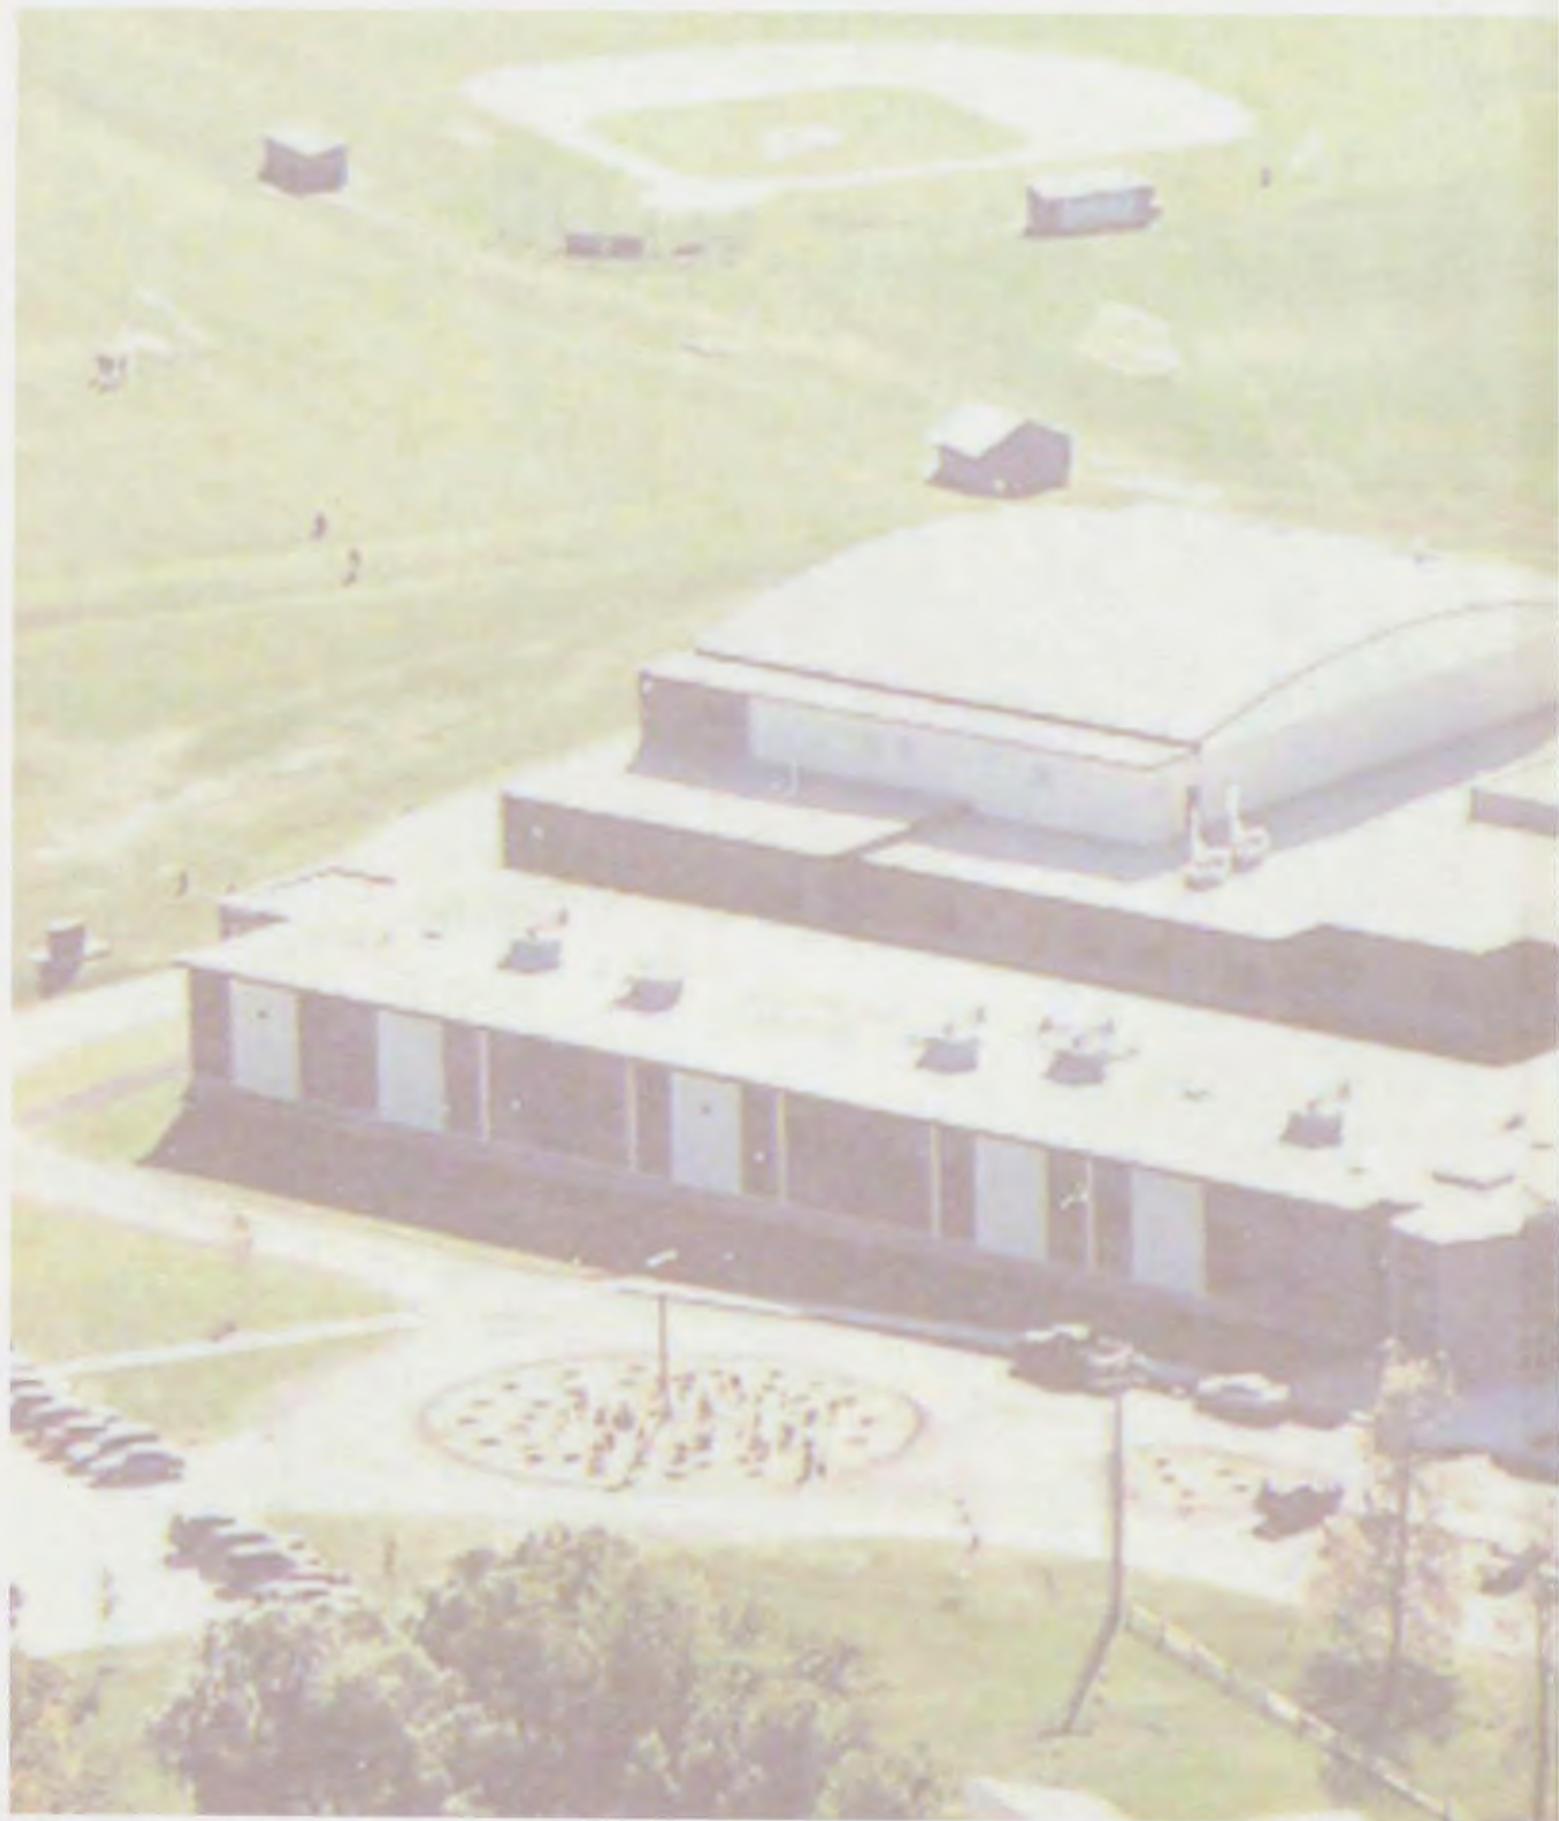

I watched the tide  
From my little house by the seaside  
I didn't have to wait long  
to find what the waves had brought  
along

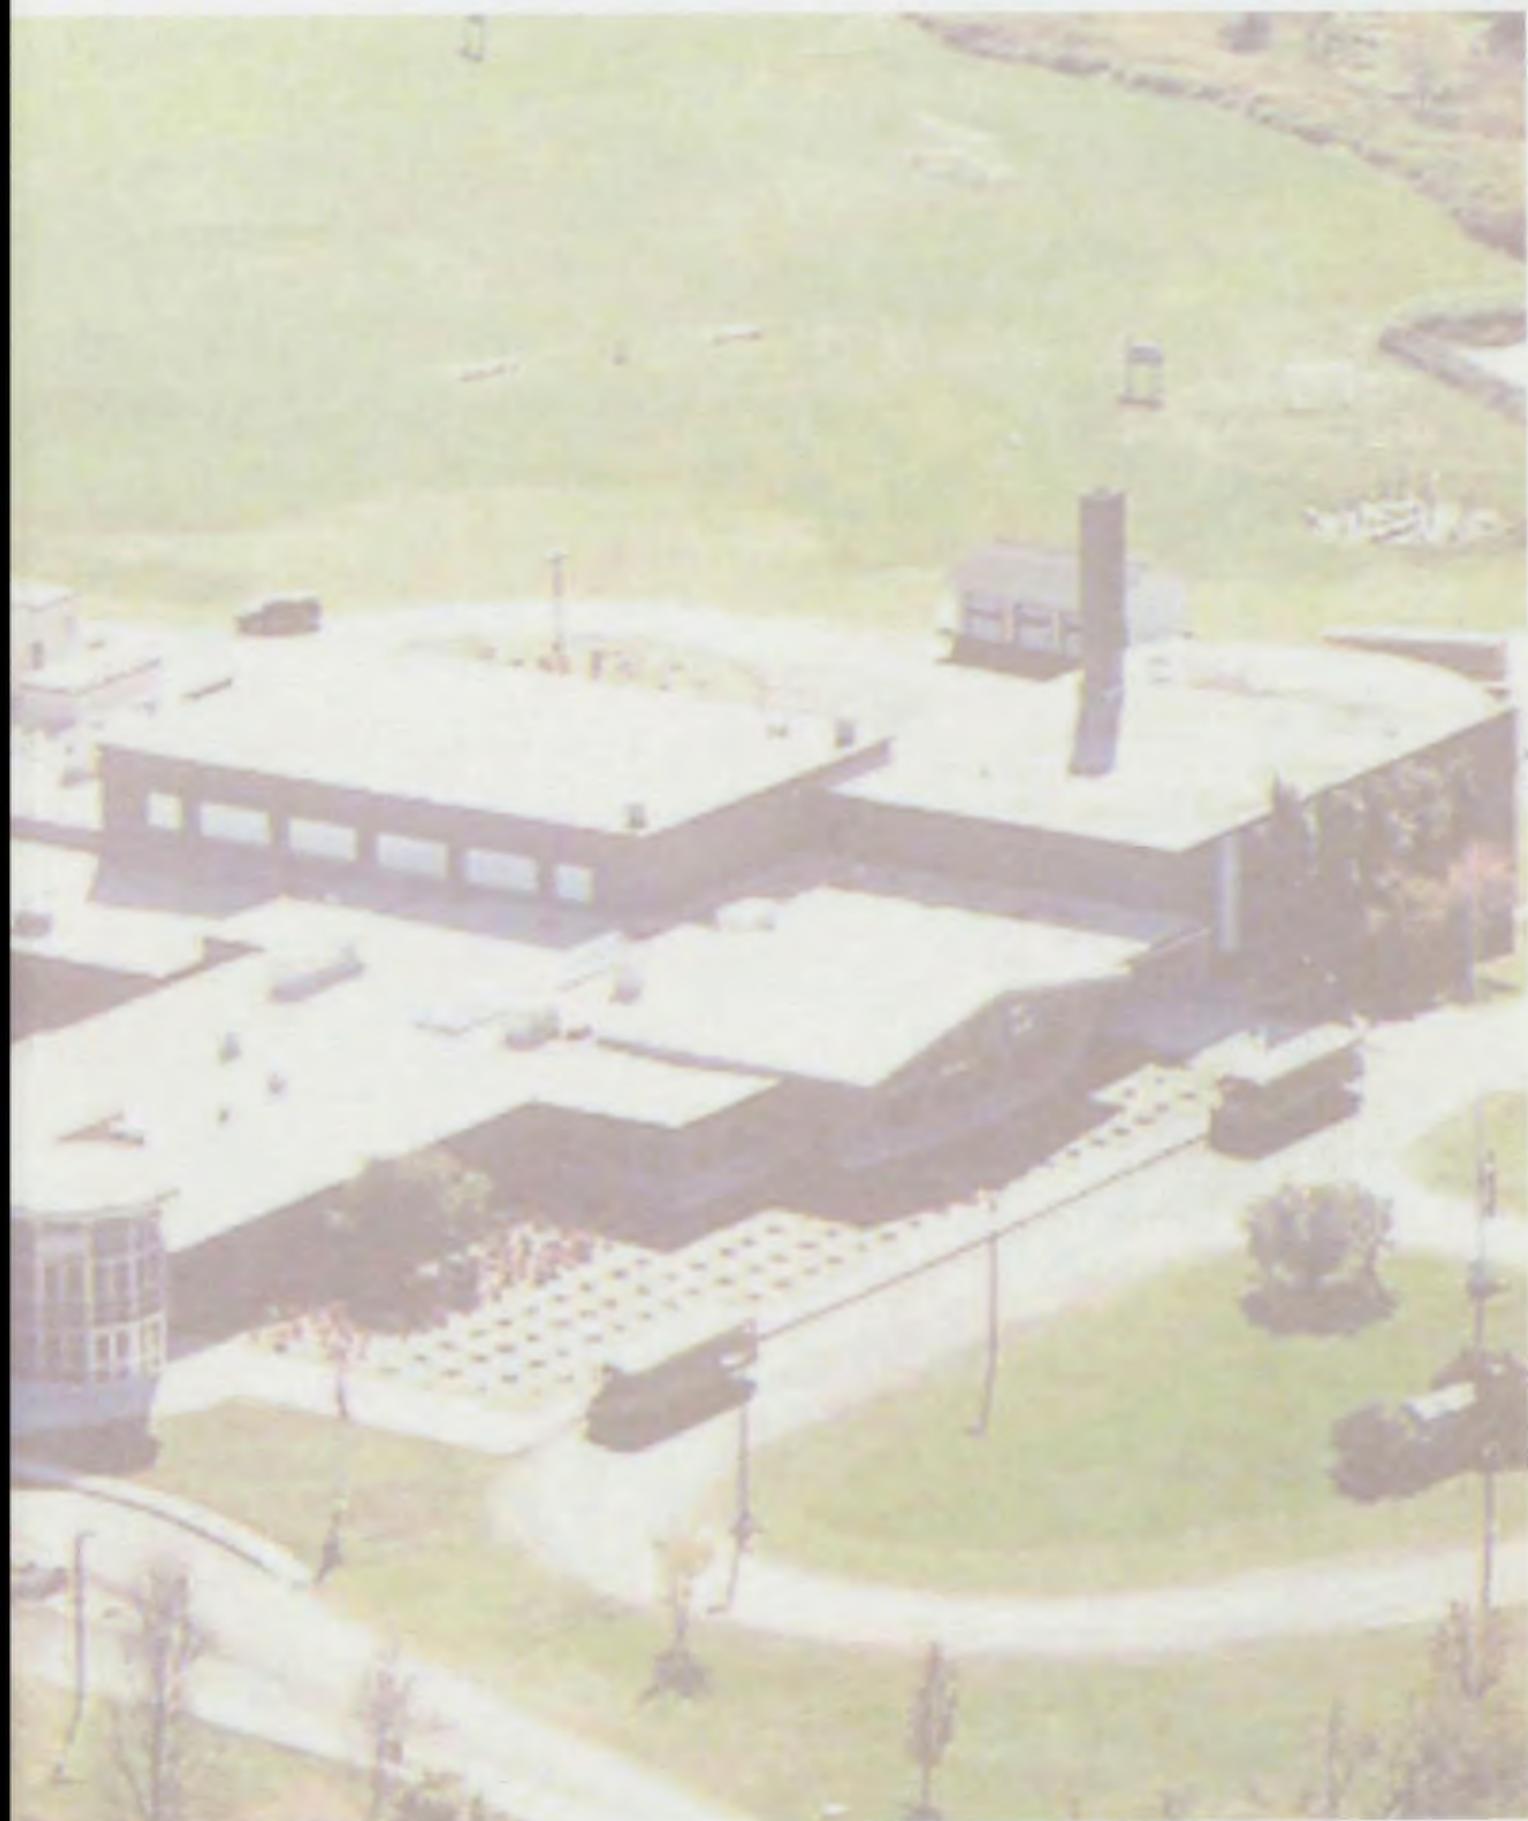

a bottle with a message in it,  
it looked like a message, at least  
I ran to pick up the bottle  
And took out from it a coiled paper

As I smoothened it, And peered deep  
The yellowing paper came apart at my  
touch Before my eyes the writing  
smudged As I wept

After the weeping storm had passed  
I came down to earth  
Maybe it was a message not meant to  
be read by me  
When it didn't reach the one it was  
meant for  
As I gazed into the bottle, I saw the  
sea, the storm and all that was to be.
