"It is the men and women, boys and girls so poured in
and out all day
That give the building a soul of dreams and thoughts
and memories."

CARL SANDBURG

We, the class of 1966, wish to dedicate our yearbook to the memory of our classmate, David Chase, who was killed in an automobile accident in June 1965. Although he was in our class for only one year, his memory will linger in our minds and in our hearts.

ADMINISTRATION

Superintendent's Message

Members of the Graduating Class of 1966:

At your invitation, it is my pleasure to present a few comments for your yearbook. Although these thoughts were expressed some time ago, I feel they are as appropriate today as ever—perhaps more so.

Consider the oyster—a lesson in conduct in its behavior. After the embryo oyster emerges from the old oyster, it has seven days of freedom. Nevertheless, it must think of the future. At the end of the seven days, it must be attached to a hard surface. There it grows.

Youth is a free time, but it must think of maturity. At the end of youth destruction comes to him who has not attached himself to a hard, firm surface of wisdom. The oyster does not consider a soft surface—that would mean death. Too many young people want to attach themselves to soft places in life. This is the way of least resistance.

Oyster farmers throw back into the water the old oyster shells after they have been surfaced and dried because the old shells make the very best anchors for the young oysters. Youth, too, will prosper if it will fasten to the old and seasoned ideals and principles, those which have been exposed to sun and storm, toughened and hardened, proven to be of real worth. Times change but principles endure.

To each of you, sincere congratulations as you graduate from high school and hearty best wishes for many happy years ahead.

A. Robert Twiss
Superintendent of Schools

Principal's Message

To the Class of 1966:

It is my privilege and pleasure to extend congratulations and best wishes to you.

I hope that your high school days have been fruitful and enjoyable ones, and that each of you will use to the fullest advantage the knowledge you have acquired these past four years to make your life in the future more beneficial to all mankind.

Again, my congratulations and may God bless each of you in your future endeavors.

Union High School Board

The school board is the top governing body in the Addison Northwest School System. It is ultimately the responsibility of the board to sustain the school and provide for its future. This includes such exacting tasks as shaping the curriculum, balancing the budget, and hiring the administrators and faculty. Of course the primary concern of the board is providing students with the best education possible.

Since the board serves such an important function, its members are chosen by popular vote. The number of representatives allotted to a town depends on its size. Vergennes and Ferrisburg have two members each: Mrs. Samuel Fishman and Mr. Robert Ryan represent Vergennes; Mrs. Robert Beach and Mr. Clifford Harris, Ferrisburg. Addison, Waltham, and Panton have one each: Mrs. Wilbur Pratt, Mr. Dwight Burnham, and Mr. Kenneth Sullivan respectively.

The theme of the Junior Prom, held on May 28, 1965, was "Moonlit Garden." The decorations were beautifully highlighted by a sparkling fountain in the center. Music was provided by the Elizabethtown band. King and Queen were Pete Hatch and Connie Tucker. A good time was had by all.

As part of the Christmas Concert the Concert Band presented a dramatic reading with band accompaniment of the popular "Twas the Night Before Christmas." Peter Adams was the narrator.

The Marching Band members marched in the Vermont Music Festival parade in May.

The combined instrumental and vocal groups presented the musical, "Lil Abner," with many seniors in leading roles.

Fifteen members of the concert band were selected as a stage band to accompany the "Lil Abner" musical on March 24, 25.

Librarians

A good test of the career possibilities of any vocation is to find out how much satisfaction that work gives. By this test, librarianship ranks high. Nine students in our school are making this test and are finding that to be a librarian requires intelligence, training, a sense of humor, and a real desire to help. The librarian constantly lets people know what is ready and waiting to be used and then brings just the right book or service to the person who needs it.

Gym Club

There was much enthusiasm for the Gym Club throughout the year. Members worked out weekly on the parallel bars, trampoline, mats, the balance beam, and the horizontal bar.

A spring board was purchased this year. We hope to acquire uneven parallel bars for next year.

Stunt Night was the highlight of the year.

The officers are Pres: Brenda Bristol, V. Pres: Craig Layn, Sec-Treas: Pam Casey, Stu. Council Rep: Marcia Charbonneau, Faculty advisor: Mr. Ranney.

Le Cercle Français

Le Cercle Français has sponsored varied activities during the year. Two films were shown on modern France in an afternoon meeting. A trip to Hanover, New Hampshire made it possible for interested students to see an exhibit of modern French art and tapestry. We were also privileged to entertain a young Swiss girl one evening in March.

Dramatics

The Drama Club activities started in November with the senior play, "The Spiral Staircase." In March the following one-act plays were presented: "Good-bye to the Clown," "The Hungerers," and "To Burn a Witch." The junior play, presented in the spring, brought to a close another successful year for the club.

Troupe 2374 of the National Thespian Society began the year with few members but after the production of "The Spiral Staircase," a large number of new members were installed. The Society was pleased to have a writeup of one of the productions published in *Dramatics*, a monthly magazine.

Mr. John Altobell acted as faculty advisor for dramatics this year.

Future Homemakers of America

The theme of the year's program of work is "Building Blocks for the Future". Our community project was to remember the Retarded Children at Christmas and on Valentine's Day. We also sent presents to the Brandon Training School at Christmas time. Three of our members attended the State Convention in Burlington in April. Sonia Shepard and Carol Wenzel have been members of the FHA State Scholarship committee. Christine Austin won the Betty Crocker award for 1966. Future Farmers of America

The Future Farmers of America is a national organization for boys studying vocational agriculture. Membership is voluntary but all boys are encouraged to become members. Regular meetings are held each month with student **officers** presiding and conducting the business.

This year the chapter tried something new and different. This was the great Donkey Basketball Game between the FFA boys and the faculty. Everyone had fun.

Varsity Club Sponsors Pep Rally

As usual . . . unity and order at VUHS!

ATHLETICS

Cross Country

An inexperienced team finished a difficult season with a record of 4-10. Without last year's top runners, the squad lacked the experience necessary for a winning team. When the score was tallied, however, in the regional meet our runners placed in the fifth place. This was high enough to qualify for the State meet in November. Against very fast competition we placed eleventh in the State meet. All but senior runners, Gerald Pierce and Leo Moulton, will return to next season's squad.

Just two runners? Guess not!

Opposition—speed demons without motorcycles!

Soccer

Fall sunshine, blue and white uniforms, rugged players, lively competition and spirited spectators are the components of a soccer season. The V.U.H.S. soccer squad provided all of these for the enthusiastic supporters who twice weekly lined the playing field. Four wins, seven losses and one tie showed in the scorebook. The enthusiasm and the sportsmanship of the team are not and cannot be reflected in these statistics.

A great contribution to the game of soccer??

Offense as well as defense.

First Row: Jackman, Ryan, Quesnel, Briggs, Howland, Asprey, Hatch, Coach Culver. Second Row: Manager Marsh, Tucker, Dubois, Bradley, T. Moore, M. Angier, Mayville, Cote, Manager Coffey. Third Row: Bessette, J. Moore, Adams, J. Angier, Ball, Murray, Daniels, Brooks.

The entire team was well rounded. This made a big difference in some games as Coach Culver could always substitute a man from the bench who could do as well as the man in the game. Seniors who contributed heavily to the good season are Terry Moore, Moose Murray and Winston Ball.

A nucleus of experienced underclassmen promises another good season next year.

On November 1, many boys reported for the first basketball practice. These boys developed into the best squad that Vergennes has had for a few years. The team qualified for a play-off in the semi-finals on February 22, only to bow to West Rutland in a 56-71 game.

The new Defensive Trophy went to Howard Smith for his fine efforts. The Shooting Trophy was awarded to Sheldon Briggs.

Junior Varsity Teams Develop

The Junior Varsity Team finished the season with an undefeated record of 17-0. The victories which brought the greatest joy to the squad were the two wins over Marion High, the school which was responsible for two of the JV's three losses last year.

Throughout the season good rebounding and a balanced scoring attack were responsible for the fine record.

Jon Moore, Pat Hatch, Gene Jewell and Herc Bradley provided the rebound power. David Quesnel and Gary Poquette provided the outside shooting ability.

Determined work and effort on the part of all the squad members made this record possible. Our congratulations to Coach Matt and his team for their perfect 1965-1966 season.

Kneeling: Maloney, Munnett, Yandow, L. Jackman, J. Jackman; Standing: Ryan, Blik, C. Jackman, Quinn, Coach Rowell, Fauser, Rose, McNulla, Briggs

Boy and Girl Basketball Players

The girl's record is not an accurate appraisal of their determination and their skill. Our team faced many stronger teams. Hard work and determination were not lacking but this young team lacked the experience needed to win. With this year's experience, we expect a fine showing from these freshmen and sophomores next year.

Varsity Basketball

An experienced team rounded out a fine season in varsity basketball. Losing only to Burlington, Waterbury, Milton and B.F.A. their final overall record was fifteen wins and four losses. This squad and Coach Rowell will not be soon forgotten.

Kneeling: Munnett, Patterson, Hallock, Stagg, Perkins Standing: Hays, Tucker, Norton, J. Patterson, Lawrence, Allen, Coach Rowell

Graduation will mark the end of their basketball career for six experienced seniors: Jane Allen, Linda Hayes, Linda Patterson, Valli Hallock, Jean Perkins, and Monica Stagg. The underclassmen will have the stimulus of this year's record as they go on to the playing floor next year.

Row 1: Poquette, Howland, Ryan, Lebeau, Hatch, Coach Matt; Row 2: Manager Estey, Bradley, Murray, J. Moore, Briggs, Briggs; Row 3: Manager Tucker, T. Moore, Angler, Manager Marsh

Baseball

Last spring twelve boys put on their spikes and reported to the baseball diamond. It looked like a good team that would work hard for a very successful season. Coached by Mr. Gerald Brow, the team suffered only one loss during the regular season. Unfortunately the Commodores lost to Bradford High in the State semi-finals.

Front Row: Hayes, Munnett, Allen, Patterson, Tucker, Hallock, Perkins, Coach Rowell—Row 2: K. Jackman, Coffey, Norton, Lawrence, L. Jackman, Yandow, C. Jackman, Rose

Softball

The girls turned in a fine team effort and finished an undefeated season. Their balanced, powerful squad proved itself on the playing field.

The school is proud of Coach Rowell and her winning team.

A Golf Club, formed this year, was added to other extracurricular activities.

The winners of the school foul-shooting contest this year are Ron Hay of the Junior High and Bob Beach of the Senior High.

The Junior High basketball team won 12 out of 13 season games. The Junior High team participated in a local tournament held March 4 and 5.
