Vergennes, Vt.

Because he has worked for and with us, because he has given generously of his time and wisdom—words are a poor substitute with which to express our sincere respect and admiration for this man.

In appreciation for his devoted service we proudly dedicate the 1967 Blue and White to our principal, Merle W. Crown.

Labor and worry behind the scenes.

We searched long and found it not.

The four cardinal principles of the National Honor Society are character, leadership, service, and scholarship.

The Otter Valley Chapter in October, 1966 elected the following officers: President, David Bronson; Vice-President, Mary Munnett; Secretary, Paula Christofolletti; Student Council Representatives: Deborah Twiss and Lynn Jackman.

The faculty advisor is Mr. Davison.

Press Club

The Press Club under the guidance of Miss DePaul and Mrs. Berry published six issues of the Commodores Comments. They were enthusiastically received by the student body. Student activities, class and club news, essays, short stories and poems highlighted each issue.

This year the Press Club has done a fine job of promoting school spirit. The lettering hung in the gymnasium by Bob Estey and Scuffy Smith is an example of the Press Club's originality in fostering greater school spirit.

Le Cercle Français has sponsored varied activities during the year. Soeur Martin, who teaches at Rice Memorial High School visited our school in the fall. She presented a very fine collection of slides that she took on a trip around France. Her lecture in French was enjoyed greatly by the club. Librarians

There are seven students who give up their study halls to work in the library. They are finding out that being a librarian takes patience, skill and above all a real desire to help. They are always there when needed, checking books in and out, finding reference materials or helping students find books. Besides helping the students, library assistants also help the staff by shelving books, filing cards and setting up displays.

Future Farmers of America

The Future Farmers of America is a National Organization for boys who recognize the need for trained and experienced farmers. The Club's purpose is to acquaint members with the best farming methods. Cross Country

The Cross-Country runners, in Vergennes ran into much bad luck and much good opposition. The record of 2 wins and 13 losses does not show the effort these boys made. We look forward to next year as the team consisted of only one senior and many underclassmen. The team placed seventh in the Southern Vermont District Meet held in Bellows Falls. If it had not been for injuries to the leading Commodore runners they might have qualified for the state meet. Next year with more depth and experience the Cross-Country runners of Vergennes may be back in the State Meet.

Soccer

The 1966 soccer team under Coach Conner ended the regular season with a 4-3-3 record in tough Champlain Valley League competition.

Our team was selected for the State Tournament. The boys played a great game and defeated Burr and Burton of Manchester 2-0. A loss went to Essex Junction, the eventual State Champion in the quarter-finals. It was a very rough and well played game, but the Commodores just couldn't pull it out.

COACH CONNER

1st row: Daniels, Ryan, Quesnel, Hatch, Moore, Howland, Hawley, Briggs.

Basketball

The Varsity Basketball team was seeded into the quarterfinals of the state play-offs. The Commodores who posted a 14-5 record were seeded with three other class I schools. On March 8, they met Woodstock in the state semi-finals.

This was the best basketball season in Vergennes in many years. The team was led by Seniors Skip Briggs and Scuffy Smith.

There were many juniors who got experience this year and should keep the team rolling next year.

Row 1: Perkins, O'Brien, Cushman, Ringer, Yandow, Panton, Spencer,
Row 2: Mgr. Sullivan, Fuller, Hay, Coffey, LeBoeuf, Rossetti, Ryan, Coach Smith

The Junior Varsity Basketball team had a very successful season. They had a 14 win-3 loss record with two of these losses to larger schools. The boys received great experience for the Varsity team in years to come.

Baseball

The 1966 baseball team ended the regular season with an 8-3 record. The high-point of the season came when our team defeated Bristol in the first round of the state play-offs. Unfortunately, the Commodores lost to state champions Hardwick, in the semi-finals.

Our Cheerleaders

Year after year VUHS is fortunate to have a hard-working bunch of girls who try out and become our cheerleaders. This year the Yearbook would like each one of you to pause and thank one of these girls for their energetic efforts on behalf of our school.

Field Hockey

In the autumn—Field Hockey was added to the girls' sports this year. At the outset, some 15 girls turned out. They elected Mary Munnett as their captain. Although they didn't win any of their games, Coach Fallon was able to achieve much. The experience and knowledge of the game that they gained this year should help future Vergennes field hockey teams.

Basketball

In the winter—Basketball, the perennial favorite among girls' sports, was in a rebuilding this year. Miss Fallon, coach of the Varsity, worked with the girls through a season that saw them win four and lose fifteen. Next year the team should do better as most of the team will be returning. Co-captains Jackie Patterson and Mary Munnett will be lost but these girls will be replaced by such promising sophomores as Jane Briggs, Lois Fauser, Mary Maloney, June McNulla, and Barbara Munnett.

In J.V. Basketball, Mr. Thompson taught the girls the skills and enabled them to get some experience. Although they didn't win a game, these girls should add great depth to the team in the future years.

In the spring—Softball was the most successful sport last year. Undeclared, last year, many of the girls are returning this year. The team is coached by Miss Boyack.

Softball

In the spring—Track was added in the spring of 1966 to the list of girls' sports. The girls participated in various events at the State Meet. Some of these are the 440, shotput, and softball throw. This year Miss Fallon should have a successful year.

In Memory of Gerald Warren Jr.

Here rests his head upon the lap of earth
A youth to fortune and to fame unknown.
Fair science frowned not on his humble birth,
And melancholy marked him for her own.

Large was his bounty, and his soul sincere
Heaven did a recompense as largely send;
He gave to misery all he had, a tear;
He gained from Heaven ('twas all he wished) a friend.

No farther seek his merits to disclose,
Or draw his frailties from their dread abode,
(There they alike in trembling hope repose)
The bosom of his Father and his God.

“When Irish
Eyes Are
Smiling”

Friday night, May 13, the Junior class in cooperation with the Drama Club presented the three act comedy

"When Irish Eyes are Smiling"
Directed by Mr. John A. Altobelli
The play tells the story of the return of a long-lost son to his father's heart and his sweet home. The son, Bob Gerahty, with John Angier, returns as a guest to his father, Pat portrayed by John Angier. Pat has forbidden him to see his sweetheart, Paula Christofolletti, doubtless when Bob tries to confess. This leads to a comedy which holds as all of Eileen's sides.

How the problem is resolved when Bob manages to aid almost every member of the household without knowing his real success is only an exciting but also using play.

Adding to this excitement are a lengthy list of characters played well by the following: Marcia Charbonneau, Marg Sandie O'Brien, Mary Munnett, Dennis Mack, Mike Daniels, and others.

Recognition should be given to the efficient stage crew and to her aid with the Irish brogue. Every body concerned should be thanked and the Juniors have assignments" to especially thank for his hours of work and

YEARBOOK SECTION LEADERS STRIVE TOWARD DEADLINES
BY Mary Munnett

The yearbook staff is hard at work preparing their individual sections. The advertising section has already met the first deadline. Other sections are beginning work toward the next deadline in December. This one is 20 pages and Judy DeVine and her class section staff are working for this one.

Another section hard at work at the present is the Senior section. Headed by Paula Christofolletti, this section plans a completely new layout. So look ahead for bigger and better things in the Blue and White this year. You won't be dis-

SUCCESS FOR THE DRAMA CLUB
By Mary Munnett

The Drama Club's first endeavor this year was completed very successfully on the nights of November 18 and 19 when the Senior Play "The Diary of Anne Frank" was performed. This play was met with great acclaim by all who saw it. Although the audiences were disappointing the actors gave a stirring rendition each night. All the actors, the stage crew, and other related committees should be applauded for their excellent work. Special tribute should be given to the Director, John Altobelli, who worked many long hours perfecting this play. Congratulations to everyone!!!

As a result of this play many new members were accepted into the National Thespian Society. The following people will be inducted formally in the spring: Linda Audette, Chris Barrows, Thomas Ball, Susan Andrews, Skip Briggs, Pam Casey, Pete Coffey, Mike Daniels, Wayne Fauser, Pat Hatch, Becky LeBeau, Dennis Mack, Ron Moorby, Mary Munnett, William Sullivan, and Debbie Twiss. Good Work!!

DRAMATICS CLUB LAUNCHES A NEW YEAR
by Mary Munnett

On Tuesday night, September 20, the Dramatics Club held its first meeting and elected its officers for the coming year. Paula Christofolletti was elected President. Her co-officers are: Vice President, Steve Birkett; Treasurer, Wayne Fauser; and Secretary, Mary Munnett. Linda Audette was elected Student Council representative.

The first presentation, the Senior Fair at play, is already in the works. Mr. Altobelli has been holding tryouts for plays. We are pinning "The Diary of Anne Frank" which promises to be one of the best drama presentations ever to be given at VU. This play will be presented two nights and seniors will soon be peddling the tickets. Let's help them out by buying all the tickets they can supply. I think they'll be doing you a favor.

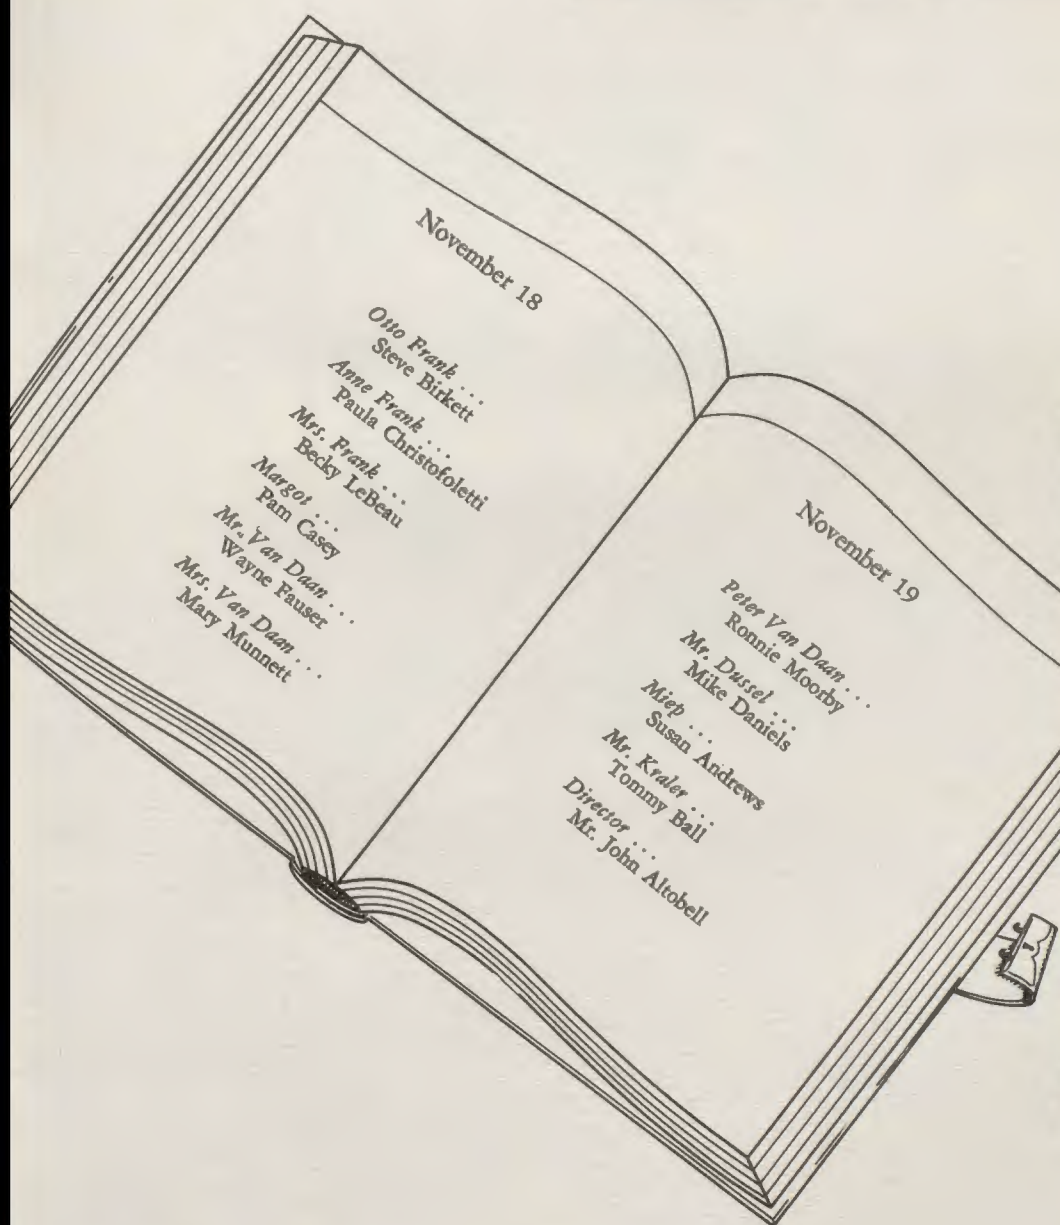

. . . In spite of everything
I still believe
that people are really good at heart.
