BLUE & WHITE

Laurie,
To a real cool
kid and about the
funniest too. Have fun
in the summer. May God Bless
A.G.F.A.
Carol
-75-

To Laurie,
You bad you for
Name Kelly. Good
sister Luck
Luck
J. 11/16/17

Laurie,
You are one
of the nicest
guys I know
and I'm proud
to have you for
my friend. Lots of
luck in the future
+ god bless ya

A.F.A.
Judy
-75-

Laurie,
to a great friend.
Remember all the times
we had in 6th period Study hall
Have a good summer and good
luck!
a.f.a.
Diane O'Brien

Laurie,
Don't forget those real
cool times in 6th period
Luck in every
to do or any
that. (I don't know
I'm saying)

A.F.A.
Susie

Laurie,
You're a real great
kid that I like alot
good luck in everything
A.F.A.

Beauty Around Us

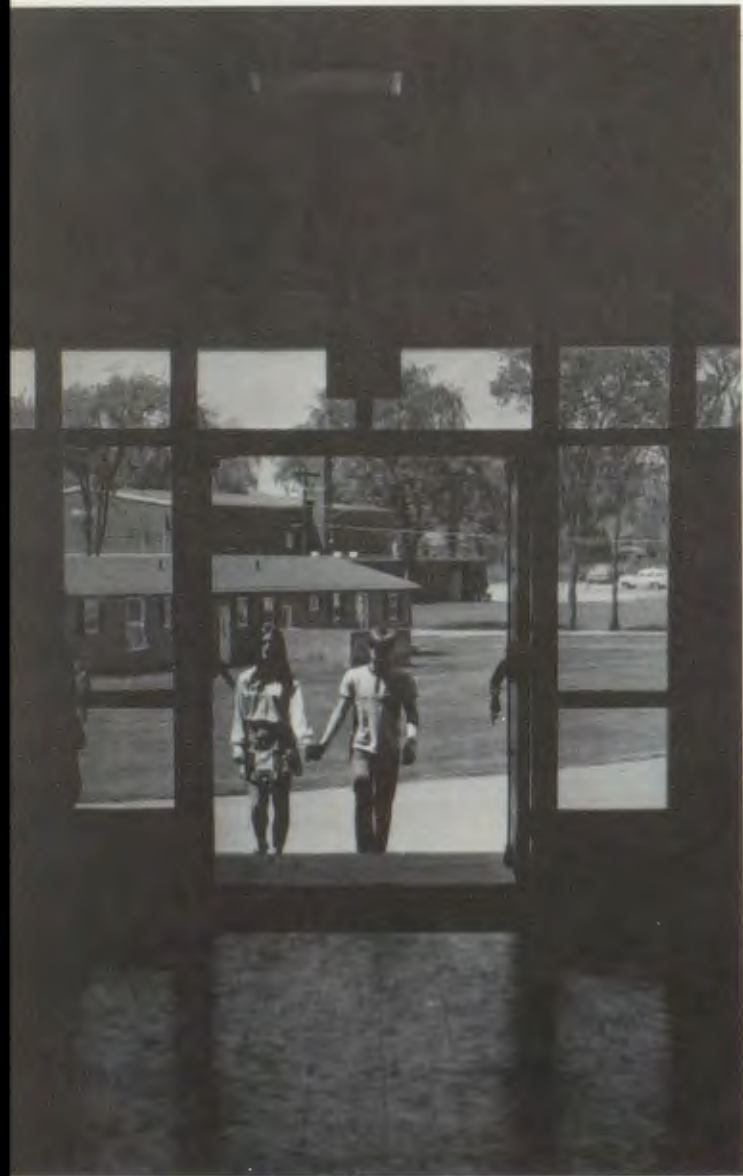

We are the products of all our experiences. The beauty of the places from which we come and the buildings by which we pass each day have helped shape each of us to be the individual who comes to the many doors of our school.

Through These Doors

Alone, by two's or in groups, we pass through these doors each day. Our experiences are as varied and as meaningful as the personalities, interests and concerns which each of us brings individually.

Fawrie,
To a nice kid I
liked and hope
to see you next
year. I'll be
living near you
but, hope and
I don't think
I will be
going to
school
"here."
Faye Houkes
C.O.M.A.I.B.T

A school is much more than the physical building — yet, this image will remain in our minds and memories as the place in which six meaningful years were spent.

English Is For Everyone

To "teach English" is to encourage communication in all its forms. Emphasis is placed on reading and writing as well as speaking. In an attempt to form well rounded individuals the English program has been enriched by trips to see plays and movies and to hear symphonies — part of our cultural and scholarly heritage.

Mr. T. Johnson, Chairman of English Department, seems pleased with his class.

Seventh grader Dennis Gendreau benefits from Mr. Smith's attention.

Jr. High Science

Students gather round Mr. Talley for a discussion.

Science Classes Stress Concept Teaching

Science classes follow the modern methods of concept teaching. Gone is the rote memorization of the Latin names for the bones and the ligaments of the body. Laboratory experiments make the concepts studied even more meaningful. The physical facilities of the Biology laboratory have been expanded by the addition of two new laboratory tables so that a better laboratory program could be offered. A new introductory course in Physical Science for freshmen has met with great success.

Mr. Reczek explains basic concepts of Science.

Junior High Science classes benefit from explanations by Mrs. Stein.

Mr. Weeks creates an informal atmosphere in his Junior High classes.

Motivation In Math

Motivation is a key word in the Math Department. It means a new approach to an old problem: the problem of making math interesting.

Of course, there are some things which have to be taught, and the curriculum is fairly well fixed as to what will be taught and how. The techniques most in use are those of problem solving and drills.

This may appear conventional, but there are limits to what a mathematics department can do to avoid convention. Unlike liberal arts and social studies, which may be learned by various approaches, the field of mathematics is a solid, largely unchanging mass of facts to be learned sequentially.

Math is difficult and important, but it doesn't have to be dull. Our Math Department tries to motivate learning, and make it interesting.

Mr. Ward gives a helping hint.

Tools of the Social Studies.

Understanding In History

Students of Social Studies learn, through case histories and analogy, not only what happened in a certain period of time, but why these events occurred.

The addition of a new subject, Anthropology, has expanded the social studies curriculum. The study of earlier cultures illustrates to the student that the events of history were not predestined but that certain environmental factors have a definite effect on the course of history.

The aim of the Social Studies Department is to motivate students to form an educated opinion. Ideally, the student gains a broader understanding of human conditions and can more easily deal with the events of his own rapidly changing world.

Jack Tynan having a discussion with Mr. Usher.

Physical Education Has New Activities

New activities are testing and challenging the students in the Physical Education department this year. For girls, six weeks of folk dancing were added to the program. A balance beam and bamboo poles for tinkling were added to the equipment. High school girls have volunteered their services for two periods a week to help develop the physical education program in the Elementary School. New activities, new equipment and new program areas of service have stimulated great interest.

Nancy DeVine attempts to balance a V-Seat on the beam.

Are these fingers yours?

Pom Rivers and Florence Miedema help the yearbook to meet its deadlines.

Business And The Community

Courses such as Typing, Shorthand, Bookkeeping and Economics are opening doors for those students interested in the field of business. Through the cooperative efforts of the school and local businesses, students have been able to gain practical experience in offices in the community. This is advantageous for the students in that they now have more insight in the business world.

MRS. C. FORTIER
Typing II, Shorthand

*Laurie,
hope you
continue to take

Wrestling

Doors To The Future

Vocational Training is the key that will open the doors to students in the seventies. The enormous field of Agribusiness points up the importance of the training given in the Agriculture Department. Mechanical Drawing classes have opened the doors to technical schools. The machine tool course has also trained many to handle machines and to make parts which are essential to modern industry. We regret that this excellent department will be moved next year to the Regional Vocational School in Middlebury. It has been a pleasure to have Mr. Majury and his program as part of our staff and curriculum.

New Vistas Through Languages

Learning the language of others makes it possible for us to really know people of other nations, and to understand their customs, culture, and literature. Studying another language which has contributed to the vocabulary and structures of our own, helps us to understand our language better.

We have had the pleasure of meeting people from other lands. This year Martine Vannier from Paris, France shared with us many things about the life, language and literature of her country.

Martine Vannier, Teacher Aide, converses with some students in French IV.

Marsha Grant and Edith Miedema practice on their clarinets.

Keeping clean is a difficult task for Jane La Bombard, in Art class.

Music And Art

Knowledge and appreciation in the area of Music and Art brings pleasure and enjoyment to those of us who participate. A few minutes snatched from a busy day or long hours spent in either pastime brings contentment. Many of us have experienced this pleasure.

Some of the Chorus during the Christmas Concert.

MR. W. BOWERS
Band

MR. B. KELLY
Chorus

Through These Doors . . .

That hallowed sanctuary of lost students on the first day of school, the Guidance Office, is more than a mere information booth for the rectification of misconstrued schedules. It is a veritable library of college catalogues, job opportunities and information about careers.

The guidance directors and staff have the complicated task of organizing classes and schedules for six grades. They also make it possible for the college-bound to take exams and to fulfill other prerequisites. Through this office, students are brought into contact with representatives from various fields. Always available for an interview, students are able to discuss at length important questions concerning their future.

The library and specialized courses meet the academic and individual needs of many students.

Details are a part of Mr. Burke's work.

Our Unsung Heroes

There is a group of unsung heroes, seldom seen but nonetheless indispensable. Collectively, they are subdivided into three groups: cooks, custodians, and bus-drivers.

If it weren't for the diligence of the personnel, we would always be up to our knees in something. If the cooks were no longer with us, we would be up to our knees in brown lunch bags. We would be knee-deep in dirt if it weren't for the daily work of our custodians. And if the busdrivers didn't appear in the mornings and after school, some of us would be knee-deep in snow walking to school on brisk, Vermont winter mornings.

BUS DRIVERS: Messrs. Atherton,

CAFETERIA PERSONNEL: Mmes. Clifford, Fountain, Anderson, Jewell, Smith, Litch. *Foreground:* Mrs. Mack, Hotlunch Agent.

De Coste, Austin, Jewell, Abair, Fisher.

CUSTODIANS: Messrs. Hill, Rivers, Larrow.

Custodian-bus driver Mr. Fleming greets riders on his bus.

ACTIVITIES

Yearbook Receives Award

It takes more than meetings on Tuesday nights to compile a yearbook. There are pictures to take and crop, lay-outs to make, articles to write and re-write, scores to check and double-check. To meet a deadline is quite an endeavor.

But this endeavor isn't always in vain. Last year, the Columbia Scholastic Press Association awarded the "1970 Blue and White" a first place rating. The judging was done on a point system and the "Blue and White" received 938 points out of a possible one thousand.

Putting a yearbook together is by no means an easy task, but as always the '71 staff has tried to maintain good coverage of the school year.

BUSINESS SECTION: Sears, Wernhoff, Duany, Plankey, Parkinson

Recognition For Outstanding Students

Candles flicking, everyone waited expectantly for the thirteen names that would indicate the new members of the National Honor Society. The eight members helped the new ones into their robes while proud parents and friends of the chosen thirteen looked on. Tears appeared on the faces of the newly inducted members as they repeated the pledge that officially made them members and renewed the vows of the original eight. One could see only yellow roses, tears of happiness, and shining faces of all the members as they filed out of the auditorium. A reception followed where new and old members mingled.

The National Honor Society has undertaken many successful projects. The most successful was the collection of used toys which were cleaned and wrapped for Christmas for St. Joseph's Children's Home.

MEMBERS: F. Cushman, Bessette, Newman, Matot, Smith, Casey, Flanagan, Hughes; 2nd row: Crown, King, Fagan, Sweet, Senesac, Rossier, Roy, Sister Candon, Gosliga, Casavant, Hawley, Plankey, K. Cushman, East.

President Carol Matot gives pledge to new members.

School Paper Carries New Name

The Press Club has a new and different way of publishing the paper. Mr. Thomas Johnson, our new staff advisor, has brought to us an abundance of new ideas. Each publication is professionally printed in the local office of the Enterprise and Vermonter. Its format resembles a real newspaper with masthead, columns and photographs. It carries a new name, "Babillard." Every phase of school life is reported in its issues.

A black and white photograph of a young woman with long hair, Pat Charbonneau, sitting at a desk and operating a vintage typewriter. She is looking down at the paper in the machine.

Pat Charbonneau types for Press Club.

A black and white photograph showing a group of seven students, the staff members, gathered around a large table in a room with large windows. They are looking at papers and documents, likely working on the layout for the school paper.

STAFF MEMBERS: Matot, Birkett, Casavant, Twiss, Smith, Wernhoff, Roy.

A black and white photograph of three students standing together. A young man in a dark jacket is holding a small cup, and a young woman with long dark hair is looking towards him. Another student is partially visible on the left.

ception following the induction.

A black and white photograph of a young woman, Martha Casavant, sitting at a large, angled table. She is focused on working with papers and documents, likely creating a layout for the school paper.

Martha Casavant works diligently on an important lay-out for the paper.

*Future Farmers
Have Active
And Successful
Year*

Bill Highter is ready to participate in the Forestry Program.

1970-1971

F.F.A. JUNIOR OFFICERS: W. Highter, E. Pratt, K. VanDeWeert, J. Jackman, W. Burbank, S. Belanus.

Gary Poro and Robin Jackman in the wood lot.

The Vergennes chapter of the Future Farmers of America has been very active this year. A major part of the activities have centered around the national program of "Building Our American Communities." This program is designed to aid in the fight against pollution. The local Forestry Conservation program and all other activities this year focused on the preservation of the environment.

Because of the excellence of its Community Safety Program the chapter received the "Gold Emblem" award on the national level. On the state level the chapter also received the Sheldon Memorial Trophy, awarded annually to the outstanding chapter in the state.

The Agricultural Mechanics and Livestock Judging Teams won first place in the state contests. The Dairy Cattle Judging Team won an expense paid trip to the National Convention in Kansas City in October.

Working Together

Band activities have been very limited this year. Tuesday is the one day each week that Mr. Bowers is in the building. Individual instruction is given during class periods and one period is given to practice for the whole group. As a consequence one concert, the Christmas Concert, given this year on the afternoon of December 22, was presented during the year.

Thirty-seven students make up the chorus under Mr. Bernard Kelly. Here again one day per week is given to small and large group practices. The Chorus also participated in the December 22 concert.

This concert was high-lighted by the ballet performance of seven dancers led by Cindy Casey and Bradley Ringer with Ellen Flanagan as choreographer.

BAND MEMBERS: Angier, Barrows, Been-Fitzgerald, Grant, Hawley, Hughes, Jacker, Sears, D. Sweet, S. Sweet, Stanley,

OUR DIRECTOR: Mr. Bowers.

Fuller, Grant, Griffith, Jackman, Jennings, Little, Miedema, Mullis, Ogden, Ourensma, Ringer, Rossetti, Rotax, Sisters, Spooner, Tatro, J. Tis-
bert, S. Tisbert, Tatro.

Involvement And Activity

Student Council's efforts have been addressed to many serious problems which confront students locally and nationally.

To meet the social needs of the student body, it has sponsored such activities as the Freshman Reception, the Sadie Hawkins Dance and the Winter Carnival.

Wishing to be informed and possibly to contribute to the policy making for the school, members have attended School Board meetings and have assisted on Evaluation Committees.

With a sense of civic responsibility, a committee has initiated a study to improve the present conditions of the school building, which might contribute to pollution.

The interest in the condition of American Prisoners of War motivated a letter writing campaign by the student body.

Problems such as the student dress code and the Green-Up Day have also claimed attention.

Nancy McNulla looks over "POW" letters

Student Council in session.

with Cyrie Fagan.

OUR PRESIDENT: Steve.

Ellen Flanagan leads Senior Pete Doner, her slave, on Senior Day.

Freshmen bow to their peers during Initiation.

Steve Barrows and Judie Panton discuss Student Council business.

Our Ski Buffs

The Ski Club has enjoyed five seasons of skiing. This year the membership is smaller than in the preceding years. The expense of skiing or the increased popularity of the snowmobiles may account for this decrease in interest. Because of the small group only a few trips were planned to the Middlebury Snow Bowl. Private cars transported the skiers as there were too few for a bus. But the true ski enthusiasts had fun.

Rick Sorrell takes a break.

John Jackman loads skis after an active day.

VARSITY CLUB: Crown, Emerson, Birkett, Brown, Case, Wendell, Pratt, B. Barrows; Angier, Jackman, DeVino, Rossier, Pol-McEville, S. Barrows.

Varsity Club Has Money-Making Ideas

Mr. Ward finds himself surrounded by Redheads.

As the visiting girls ran onto the gym floor, the crowd gasped to see the shades of red hair. Their basketball opponents, members of our faculty, soon learned that they really knew how to play basketball. They also knew how to inject fun and comedy into the game. Some faculty members suffered more than others as the victims of their jokes. This game with a traveling team enriched the Varsity Club's treasury by three hundred fifty dollars. Other money raising projects enable the club to sponsor the Athletic Dinner in the spring.

Fagan, F. Cushman, Casavant, Smith,
2nd row: Mr. Aldinger, Gibeault, Twiss,
kowski, K. Cushman, Hughes, Townsend,

Mr. Aldinger outjumps the Redheads.

Individual Interests

Many students spend part of their time in activities which are of real interest to them. Some serve the school during their study halls by working as Student Librarians, as helpers in the Audio-Visual Department, or as Aides in the office. Other students participate in the co-curricular French and Latin Clubs.

AUDIO VISUAL AIDES: 1st row: Hutchins, Brown, Bibeau; 2nd row: Hall, Benton, Dickerson, Andrews.

LIBRARIANS: Coyle, Duany, Wernhoff, Flanagan, Barrows,

LATIN CLUB MEMBERS: Flanagan, Miss Lynch, Coffey, Clark Langeway, Ringer, Tatro, Birkett, J. Coffey,

SPORTS

Cross Country Team In 19 Meets

Only five boys from last year's squad of seventeen, answered the call for Cross-Country during the first week of school. The goal of the small and inexperienced squad of twelve boys became one of gaining experience and improving their time for this fall sport.

The goal became a reality as the squad improved steadily throughout the season. Every boy showed improvement in his time and gained much experience as the team raced against eighteen opponents before competing in the State Meet. In the State Meet we placed eighth in a field of seventeen schools.

The squad has high hopes for a successful season next fall.

Mr. Crown admires a trophy given to him by the team at the end-of-the-season dinner.

Glen Rossier finishes first for Vergennes in State Meet.

The start at the State Meet.

Front row: Husk, Fagan, Crown, Benton; Back row: Rose, Stone, Abair, Barrows, Hatch, Senesac, Brace, Baker, Rossier, Mr. Crown.

Mike Hatch in a sprint.

Soccer — '70 Season

After two defeats by Lake Region and North Country we decided to really beat arch-rival Mt. Abraham. We did just that! After a scoreless first half the Eagles scored, but our Mel Hawley tied it in the fourth period with a nice shot into the corner of the net. Naturally, the game went into overtime. Mike Lombard, Chuck Ringer, and Mel Hawley each tallied in the first overtime to make the score 4-1. Gary McEvilla scored the final goal.

The closest game was with B.F.A. Early in the final stanza goalie Jeff Twiss took too many steps; an error which allowed B.F.A. to run in for a goal. But with only a few seconds left in the game, on a perfect pass from Ken Cushman, Mike Lombard rammed it in the goal to clinch the 2-1 win. The third win came against Weeks School.

Dennis Chamberlain on the defense.

1st row: Hawley, Sears, Hughes, Pratt, Cushman, Devino, McEvilla, Jackman; 2nd row: Muzzy, Sweet, Lombard, Bessette, Chamberlain, McDonald; 3rd row: Coach Conner, Twiss, Ringer, Wendell.

CO-CAPTAINS — Ken Cushman and Wynn Pratt.

Coach Conner deliberates.

Jeff Twiss makes a save.

Victories Elude Determined J. V.'s

1st row: Sorrell, Emerson, Briggs, LaChance, Cousino, Brown, Vause, Myers, Barrows; 2nd row: Mr. Clark, Hawkins, Roy, Rotax, M. Donnelly, Denny, Gibeault, Larrow, Palady, Laughlin, Marshall, O'Brien, B. Donnelly.

The Junior Varsity Soccer team was young and full of determination. The overall season record was no indication of the drive and ability that the team had. The squad was co-captained by Bob Rotax, whose speed and stamina proved to be a vital asset to the team. The agile moves of "Sticky Fingers" Kevin O'Brien, saved many a goal. The rest of the defensive unit included, Mike Denny, Mike Donnelly, Bill Larrow, Bill Plankey, Gordon Myers, and Dave Laughlin. The offensive unit consisted of Rick Sorrell, Peter Palady, Mike Barrow, John Emerson, Ted Vause, Randy Briggs, and Richard Hawkins. The team looks forward to an even better season next year.

Good Season For Hockey

The field hockey team got off to a roaring start under the expert coaching of Mrs. Francis. In the first four games they chalked up 4 victories. In the season, their record was 5-2-1. They defeated Essex, Milton (in both encounters), Winooski, and Mt. Abe. They dropped two games . . . C.V.U. and Middlebury. Both were well played games. Their only tie game came when the girls hosted a fiery Mt. Abe team, bent on revenge because of their earlier defeat by a strong, much-improved Vergennes team. Mt. Abe and Vergennes played hard with neither team scoring a single goal.

With only two seniors on the team, the field hockey girls can look forward to a victorious season next fall with the girls that played so well this year.

Good work, girls, for a fine season and good luck for an even better season next fall.

Mrs. Francis coaches the girls during a break in the game.

Varsity Tallies 8 Wins

In the 1970-71 season the Vergennes Commodores moved from the strong Northern Class I League to the Green Mountain Class I League. This move was made in order to equalize the competition.

The Commodores began the season in an explosive fashion only to be struck by numerous injuries which affected their success.

There were many exciting contests which were decided in the last few seconds of play. Missisquoi beat us on a twisting lay-up for the win. The Richford game topped them all. A fourth quarter spurt led by Hawley and Clark, a five second shot by Twiss plus two free throws by Rossier iced the game. Another exciting game was our consolation victory over Mt. Abraham in the Second Annual Christmas Tournament.

High scorers for the season were Tim Clark and Mel Hawley with a 12 point average and Jeff Twiss with a 10 point average. The individual high scorer in one game was Tim Clark with 24 points against Weeks School.

Undefeated Season

On January 23, the Boy's J.V. Basketball team concluded the season with a 57-39 victory over Mount Mansfield Union. This was their 18th consecutive victory and capped an impressive, undefeated season.

The Mount Mansfield game was characteristic of several other games during the season in that the young Commodores came through in the final stanza when the pressure was on. The team deserves hearty congratulations for a superb showing.

Bob Duprey and Steve Brace tie up a Mt. Mansfield player as Tom Baker looks on.

Another victory for the undefeated J.V.'s.

Jubilation after a game.

Undefeated Girls

It is on a proud note that we write of our J.V. Basketball Team. Coached by Mr. Gregory Clark and co-captained by Elaine Case and Debbie Brown, the team posted an undefeated season for 1970-71. Throughout the season, outside shooting ability was provided by Sophomore Yvonne Hawkins and Freshman Sally Danyow. Sophomores Deb Brown and Nancy DeVine gave fine dribbling performances. There were many valuable assists by Elaine Case, also a Sophomore. Individual high scorer was Sally Danyow with 24 points against B.F.A. of Fairfax. Certainly Coach Clark can be proud of his fine team.

1st row: DeVine, Case, Hawkins, Brown, Danyow; 2nd row: Coach Clark, Pantan, Mitchell, Tisbert, Hill, Fuller, Smith, Hall, Rushlow, Cushman, Coffey.

Girls Post Seven Wins

Disappointment was not to be a part of this year's Girls' Varsity Basketball Team. For the first time in many years, the girls showed the spirit and desire to win, so necessary to success. Led by Seniors Nancy Birkett, Jennie Ball, and Sally Smith, and spurred on by Coach Bartlett, the team brought back many wins.

One of the most exciting games was with Mississquoi, a tough team with an undefeated record. Vergennes scored the first basket of the game and throughout the first half the score seesawed between the two teams. Third quarter action proved a disaster and Vergennes was down by 12 points. But this did not stop the determined five. In the last quarter, with renewed effort and an even tighter defense, Vergennes held Mississquoi to a mere 1 point while scoring 9 in a losing cause. The remaining seconds were frantic moments for Mississquoi but Vergennes fell short of a win. The final score, 30-26, and a GIANT feeling of accomplishment.

Coach Bartlett and team look on during a tense moment of play.

Jennie Ball takes a shot against B.F.A.

Wrestlers Tie State Championship

The Varsity Wrestling Team, in only their second full year of competition, compiled a 15-1-0 dual meet record and proved that they were, indeed, the "Cinderella" team of Vermont. On the strength of four finalists, VUHS tied Middlebury Union for the 1970-71 Vermont State Wrestling Championship. The Vergennes grapplers also captured a Co-Championship at the eight-team Norwich University Christmas Tourney and were Runner-Up Champions of the Green Mountain League. Nearly 3000 (paid attendance) witnessed eight home meets which included the Commodores only loss: a 26-22 decision to defending State Champion, St. Johnsbury Academy. Under the direction of head coach, Chip Wolcott, Vergennes Wrestlers have earned an impressive 25-6-0 dual meet record over the past two seasons. Coach Bill Scott's Junior Varsity compiled a 7-2-0 dual meet record this year, and had two State Champions in the Second Annual JV State Tournament.

Steve Tucker struggles for a win.

*Through These Doors
For The Last Time . . .*

Laurie,

You're about the funniest
girl I know. We always
have a lot of fun in gym
and I hope we have it
together next year. Stay
as you are for the
rest of your life "GREAT"

Your friends
Susie
"5"

We will have
many great years
to come.
Clare Marie "75"

Laurie,
You are a funny girl
with lots of luck
Don't get into much
trouble. Have a nice
summer. May god bless
you in forever.
Good luck

Lyn
75

Laurie,
Have fun this
summer.
AFA
me

Laurie
You are a real nice girl.
Have fun this
summer. Good luck in
9th (you'll need it)
A.F.A.
Joanne
Marshall
("46")
