

### MR. FITZPATRICK DEDICATION

#### A FRIEND

Time is a thing that passes by. Love comes and goes and makes you cry. But a friend is a friend forever. Nothing or no one can take them away.

And when you go I will remember. I will think of your smile and kindness. Someday I hope we will meet again. Cause a friend is a friend forever.

Dream your dreams and live your life. Make the best of it while it's there. Don's spend your time watching it pass. But a friend is a friend forever.

Today and tomorrow are only there for a time. But the memories they hold are there forever. Memories are important when they are of friends. Cause a friend is a friend forever.

We have tried, and sometimes succeeded. We have laughed and enjoyed. Most of all I met you and learned. A friend is a friend forever.

God bless you and keep you well. Have Him always be with you. Sometime remember my crazy ways, Cause a friend is a friend forever.

Joan Marsh

#### A GOOD FRIEND LEAVES

During the 3 ½ years that Mrs. Cheri Angier was here as a physical education teacher she succeeded in developing a very strong department. Girls athletics blossomed under her direction. She always managed to convey her en-

thusiasm to her classes.

As a result of her superb coaching ability, Mrs. Angier built the strongest field hockey and gymnastic teams V.U.H.S. has ever had. Her devotion to her teams helped to make them a serious challenge to in-state competitions.

We were saddened by her departure, and will miss her warm personality and participation in school activities. She is a special woman to whom V.U.H.S.

owes much.

"CRYSTALLINE DREAMS"

MY DREAMS ARE PRESERVED INSIDE ME IN THE FORM OF GENTLE SNOWFLAKES. EACH TINY CRYSTAL REPRESENTS A DREAM THAT

GREW INTO A SOLID ENTITY-YET ONE WHICH SO APTLY CAPTURES THE FLEETING ASPECT OF OUR HOPES.

SO TANGIBLE-

BUT SO QUICKLY GONE.
THEY ARE FORMED AMIDST
THE SILENCE OF MY MIND,
EACH ONE CREATED IN THE SAME WAY;
BUT STILL SHOWING THEIR
INDIVIDUALITY,

THEIR TOTAL UNIQUENESS TO EACH OTHER-

JUST AS MY DREAMS ARE MANY AND VARIED,

SO ARE MY SNOWFLAKES.
BUT THE WORLD FORGETS THAT I
CARRY A SNOW-CASTLE IN MY MIND,
WHICH ALL MY HOPES AND DREAMS HAVE
BUILT TO SHOW THE FINAL DREAM
THAT I MUST REACH

TO MAKE MY LIFE WORTHWHILE.
THEY FORGET THAT I AM LIKE THEM,
AND THUS WE CAN NOT OPEN OUR MINDS

TO EACH OTHER,
FOR FEAR THE SNOWFLAKES WILL MELT
UNDER THE HARSH LIGHT OF REALITYLEAVING US WITH A PUDDLE OF
DREAMS LEFT UNFULFILLED.

SHE IS A NERVOUS YOUNG BRIDE.

THEN IT HAPPENS, SUMMER COMES, AND DADDY'S LITTLE GIRL ISN'T A GIRL ANYMORE, SHE'S A WOMAN. SHE IS A NERVOUS YOUNG BRIDE.

THE SNOW IS GONE, AND A WOMAN REMAINS,
BUT SPRING IS ALWAYS TURNING TO SUMMER ON DOWN THE ROAD,
AND IT'S JUST AS BEAUTIFUL.

SO LITTLE TIME IS SPENT IN TODAY. THE SMALLEST ACTION IS FIRST THOUGHT OUT. AND THEN FINISHED,

AND FINALLY RECALLED IN LATER YEARS.
OUR TIME IS FILLED WITH SUCH CONTEMPLATION

THAT WHEN SOMETHING IS DONE

SPONTANEOUSLY, WE EITHER REGRÉT IT FOREVER;

OR HAVE A SHINING SPOT OF WARM MEMORY TO BRIGHTEN THE WINTER OF OUR LIVES. PEOPLE RARELY REMEMBER THAT TODAY IS BUT ONE SECOND THAT WE HAVE JUST DONE

SOMETHING IN AND THAT WHEN IT IS OVER IT CAN'T BE BROUGHT BACK TO BE

PERFECTED . IT IS GONE FOREVER. THE SECONDS MUST EACH BE LIVED AS THEY

Senior Hike 4

"THE BUTTERFLY"

THE FRAGILE BUTTERFLY,
PLACED NEXT TO THE VAST CANYONS
AND GREAT MOUNTAINS OF OUR EARTH, APPEARS TO HOLD LITTLE SIGNIFICANCE IN THE RUSH OF LIFE. YET WITH ITS WINGS,
IT CARRIES THE TRUTH AND BEAUTY OF NATURE,
COMBINED WITH A SIMPLICITY OF PURPOSE LONG FORGOTTEN IN TODAY'S COMPLEXITIES. IT SEEMS THAT THE BUTTERFLY SPENDS ITS TIME UNNOTICED BY OTHERS AND OVERLOOKED BY THOSE SEARCHING FOR BEAUTY IN THE LARGER AND GRANDER THINGS AROUND THEM. THEY SEEK SOMETHING THAT THEY WILL NEVER REALLY FIND, THOSE WHO TRULY SEE NATURE'S BEAUTY, HAVE FOUND IT IN THE QUIET OF THEIR OWN BACKYARD . IN A SINGLE GREEN LEAF, IN A RED ROSE, AND IN THE GRACE OF THE ELUSIVE BUTTERFLY.

TOMORROW IS THE TIME OF DREAMERS WHO PLAN THEIR DAYS
BUT WATCH THEM GO ON OTHER PATHES.
THE PRACTICAL PERSON KNOWS WHAT HIS TOMORROW

WILL BRING, BUT HE HAS NOT THE RESILIENCY OF THE DREAMER,

AND CAN NOT RECOVER IF THE PATH IS ALTERED.

BUT THEY BOTH ARE COMMON AT ONE POINT-THEY BOTH STAND AT THE WINDOW OF THEIR MINDS,

LOOKING OUT,
HOPING TO SEE SOMETHING TO HELP THEM
KNOW THE UNKNOWN.

KNOW THE UNKNOWN.
IN THE END, THEY PLAN THE COURSE
FOR TOMORROW TO FOLLOW OR REJECT.
IT IS HERE THAT DREAMER AND REALIST PART.
THE DREAMER MERELY FORMULATES IN HIS

MIND THE TOMORROW, BUT THE REALIST MAKES HIS

A TANGIBLE MEMORY FOR HIS CHILDREN. IT IS OFTEN THE MOST DIFFICULT QUESTION OF ALL.

ALL,
TO DECIDE IN OUR OWN MINDS
WHO LEADS THE BETTER EXISTENCE.

RAINBOWS HAVE A WAY

RAINBOWS MAKE THE SKY SO BEAUTIFUL TO SEE. ALMOST LIKE THE WAY YOUR LOVE IS FOR ME.

RAINBOWS ONLY COME WHEN RAIN HAS TOUCHED THE GROUND. TO MAKE THE PEOPLE ONCE AGAIN THE HAPPIEST PEOPLE AROUND.

RAINBOWS STAND FOR MANY THINGS, ONLY FEW PEOPLE CAN SEE. A TROUBLED WORLD TURNED TO COLOR AND TIME FOR YOU AND ME.

RAINBOWS WILL LAST FOR ALL TIME TO SEE. AND THE LOVE WE SHARE, IS JUST FOR YOU AND ME.

There's nothing like a Sophomore! If you don't believe it, just ask them. This year's class was one of the most energetic group of individuals in V.U.H.S. They stopped at nothing when it came to being involved with the school's activities. Wherever you looked, there was a Sophomore! You could find them on the soccer field, the basketball court, the gymnastic team, Student Council, or even on the stage. Wherever you turned you could find them. Their spirit showed up in every activity they were present at. They've got spunk, spirit, and V.U.H.S. was really proud of them.

Freshman Day arrived November 23rd, a day to remember. Cowboys and Indians showed up reluctantly. What a day, not only colorful costumes, but wounds after all the gunfire from the cowboys and the arrows from the Indians. A few broken arms were acquired from the heavy loads of books thanks to the Senior High. It was a memorable day for all involved.

This year's eighth grade was very active in Junior High sports and group activities. They have been involved with A.F.S., Band, Drama Productions and many other functions. In addition, the eighth graders played a large part in raising money for the magazine drive. They were very enthusiastic about Winter Carnival. They also put a lot of spirit into all the games. All in all, they contributed to terrific school year!

A short time ago, from a grade school far, far, away ...

... A group of sixth graders came hoping to seek refuge from teachers, principals, and the evil Homework Empire that threatened to destroy or rule over all.

But, in seventh grade, they still found no refuge! The Homework Empire was everywhere! They ducked, dodged and attacked it from every angle ... But it still came!! They sat down and blasted away. Within the space of ten minutes, the Empire was vanquished. It was then that they

realized what had to be done.

To keep the evil force of the Homework Empire at bay, a daily confrontation was necessary. Victory had to be won again and again. Only in this way could Peace, Happiness, and Sanity be maintained in the high school system!

## EMIC ACAD

#### CAST EMPLOYS LEARNING

The CAST Project (Creative Art Science and Technology) is unique in the world. Funded through Title IV-C, it is an experimental program designed to integrate both artistic and scientific ways of learning about the material world into a high school course.

This year about forty chemistry students have been involved with such ancient techniques as pottery, metal smelting, stone sculpture, and herbal foods using local materials. With the aid of many local artists, and other teachers in the school, CAST is attempting to bring together experiences that go between departments and out into the community.

After completing research projects in an Art speciality area such as sculpture, pottery, silversmithing, photography, weaving, Herbal foods and medicines, musical instruments, glass blowing, papermaking, paint and architecture, each student will spent a day working with a local artist in their choosen area.

The 1977-78 season has seen many changes, including some in the Music Department of V.U.H.S. The students have grown in ability and experience, while participating in concerts, Pep Band, All State Auditions, Jazz Ensemble, and the orchestra of Finnian's Rainbow.

Conductor Chuck Mander has helped all along the way, giv-

ing guidance and encouragement when needed.

The band has put on many superb concerts including the Christmas Concert pictured below. The year, which went by rapidly, was full of fun and everyone has prospered. V.U.H.S. has a Music Department to be proud of.

Vergennes Union High School sponsors parent teacher conferences during the year. Many of the parents came in to see how their children were doing in their school work. Report cards were picked up and parents were able to see activities at the school such as computers which played tic tac toe, chemical experiments, and the yearbook staff diligently working to meet their deadlines.

The Guidance Department is a very active place. You can go by anytime during the day and talk to either Mr. Burke or Mrs. Hoinkes or just browse through the college materials. Throughout the year many college representatives were present for meetings with college bound students.

In addition to this, the counselors are very concerned in helping students that are planning careers in the Armed Services or any other community service.

This year we are fortunate enough to have Mrs. Pat Rockwell as the school nurse. She is helped by interested students, as pictured below, and has become a good friend to many students and faculty members.

# SPORTS

#### EXEMPLIFIED TRUE ATHLETIC SPIRIT

This year's Cross-Country
Team might not have had a
very good record, but they sure
showed their team spirit. The
team's outstanding player was
Cindy Provost, a Junior, who
placed second in the State
Meet. The boys were lead by
the great performance of Steve
Farnsworth.

Each individual player had a marked improvement during the season. Overall, the Cross-Country Team had a successful Fall.

This year the two Cross-Country teams were combined. Mr. Donald Baker was the coach for the two running teams. Also, Kate Pollender was the team's manager.

#### VARSITY GIRLS GET OUT THERE

When it comes to hard work and endurance, there is no team around that has had more exposure to it. The Varsity team worked very hard this year, and it showed in their games. Experience paid off, as this spirited group of girls, under the guidance of Mrs. Cheri Angier, gave it their all at every game. They ended their season with a record of 5-6-3. This record is good, but they accomplished many other things of more importance. Wherever they went, their spirit and conduct represented our school. The Commodores are here and are going to stay!

#### J.V. GIRLS SHOW THEIR SPIRIT

This year the J.V. Field Hockey season proved to be a trying one. Even though the girls finished with a 1-2-5 record, they worked extremely hard and mastered a lot of difficult skills. Sometimes a rough season can cause problems for the team's moral. Not so with our J.V. team. You have never seen a more energetic, spirited, group of individuals. Their enthusiastic approach to each game really shows their spirit. We've got to let you know, girls, that we're proud of you!

## MUSICAL IS A SMASH HIT!

What happens when a roaming Irishman, his daughter, a leprechaun, and a handsome man's pathes cross?
The result is one of sheer comedy. The fall production of Finnian's Rainbow brought the crowd which filled the auditorium, to their feet two nights in a row. A superb cast lead by Mitch Davis, Terry White, Lance Foerch, David Carney, and Leslie Ritchie worked long hard hours and there was a visible result.

Directed by Mrs. Nancy Prescott, Finnian's Rainbow proved to be one of the best musicals presented at V.U.H.S. in years.

An extraordinary orchestra, directed by Chuck Mander, backed up the cast. Comprised of high school students and community members, the orchestra enhanced the atmosphere of the play.

### **DURING A BUSY YEAR**

Freshman Day Frolicks

Mitch is at it again.

The Student Council has been involved in a lot of different activities this year. Among the myriad services that the council offers is providing guides for new students and visitors. This helps soften the blow for

a person entering a new school.

The Council sponsored quite a few dances this year. At these affairs the most popular band was Sass. These dances were the highlight of many a student's week. Another activity which was coordinated by the council was Freshman Day. November 23 marked the revival of the ''Old West'' with Frosh attired as Cowboys and Indians. The Council got into the sports scene by sponoring both a Basketball Marathon, and Winter Carnival. Students and teachers were able to demonstrate their physical prowess on the courts and on the slopes. Money accrued from the activities this year went to a scholarship fund and to help supplement the cost of sweaters for Seniors. All in all the Student Council had a very busy year.

## MATH DEPARTMENT EXTRAS

After a long lag, V.U.H.S. once again has a math team. The team belongs to the Greater Burlington League. The League consists of eight teams from schools around the area. This year the meets were held once a month, December through April. After the season was over, a final banquet was held at Vergennes, on April 4th, 1978.

Math League: FRONT: Mrs. Mosher (advisor), Jo-Anne Bodette, Steve Farnsworth, Cindy Pidgeon, Nisha Shah, and Greg Sleeper. BACK: Jimmy Dam, David Bicknell, Rodney Blacklock, and Mitch Davis.

Intangibility Club: FRONT: Patty Evarts, Rodney Blacklock, Susan Wilson, David Bicknell, and Mitch Davis. BACK: John Allo, Steve Farnsworth, Cindy Pidgeon, and Lance Foerch. Not Pictured: Janet Sullivan.

The Intangibility Club was a newly founded society operating under the (mis) direction of Mrs. Mosher. Every morning, they investigated fascinating subjects such as arrogance in the classroom, making noise during tests, and the psychological attributes of Edwin J. Purcell. This club will maintain its charter as long as Calculus is taught at V.U.H.S.

The 1977-78 edition of BLUE AND WHITE should make the population of V.U.H.S. very proud. In their layouts the staff members valiantly attempted to depict a representative cross section of their school. Under the leadership of Sheila Burlock as editor, the yearbook members worked with incredible diligence to complete their formidable task of meeting deadlines so publication would not be delyed. As this year's advisor, I was extremely pleased to work with such a dedicated group of students. During the year, countless Saturdays and weekday afternoons were relinquished by the yearbook members, but in the end their final product is one which should be lauded.

#### -years-

Joan Marsh --

Many days gone, years passed. Your face now old, unable to imagine. We look back through the years, when we were together. Young and free. They have passed now, no longer can we sing. Our voices are old and rough, No longer can we run, our legs crooked and lame. Our hands are crippled and tired. Times have changed. Us, we're older. Still we are in love and that's what really matters.

Even though years have passed.
Many days gone.
We're still together.
You're really still as beautiful as you were.
Still as gentle as back years ago.
Those years, how I remember.
Many days gone,
years passed.
Our bodies now old
and fragile.
But through it all,
we've been together.
Many days gone,
years passed.
