BLUE AND WHITE
YEARBOOK '81

Because of the kindness and friendship Mr. Charles Usher has bestowed upon the students of V.U.H.S., it is with gratitude that the 1981 Blue and White be dedicated to him. Mr. Usher has, for many years, been an integral part of the life at Vergennes. He prepared many of us as seventh graders for the years ahead by teaching us well in Social Studies classes.

As a coach, Mr. Usher has guided his teams with vigor and strength. He has tried to instill, not only in his teams, but in the entire student body, the ethics of good sportsmanship. As an administrator he has gone beyond his duty to be a friend to all of us. He is authoritative in a positive manner yet willingly gives many a second chance when we need it.

Mr. Usher is truly a friend to all of us. May this dedication be a small token of our gratitude for his dedication to our school and our students.

SAILIN' ON

Sail on my friends towards a
new horizon.
Follow your course where it leads,
For here our journey has ended.
We've sailed a voyage strong and true.
Along the way we met obstacles head on,
But never did we fail to meet our destiny.
Here my friends we must part,
To sail on into the unknown.
Each must sail in his own direction
Never to return to this time or place.
We were the best crew ever to have sailed these seas.
Our mark was made —
Never to be forgotten,
But always remembered as the class of "81"
So long my friends. I must be sail'in on.

the 1990s, the number of people in the world who are undernourished has increased from 600 million to 800 million (FAO 1996). The number of people who are malnourished has increased from 1.2 billion to 1.5 billion (FAO 1996).

There is a growing awareness of the need to improve the nutritional status of the world's population. The United Nations World Food Programme (WFP) has been instrumental in this regard, and has been successful in increasing the number of people who are undernourished from 600 million in 1990 to 800 million in 1996 (WFP 1996). The WFP has also been successful in increasing the number of people who are malnourished from 1.2 billion in 1990 to 1.5 billion in 1996 (WFP 1996).
