Alison, What a blessing it has been to have you in our lives. You have matured into such a beautiful person both inside, and out. May your old soul, unique style, and creative look on life take you far. We are always here for you. We love you more than words can ever express. Mom and Dad

Alison, To my sister, but more importantly my best friend. You have always been my shoulder to lean on, the one that always really listens, and of course my favorite person to hang out with. May you never be in the shadows, for you have so much to offer in countless ways. I love you lots and lots and I am always here for you. Love, Hilary

And weren't those tears that filled your eyes,
And all the fish that lay in dirty water dying,
Had they got you hypnotized?

Mister, JT

Josh,

You've come a long way in
getting to the conclusion of
high school. You have a good
sense of what you need to do
to succeed. Keep your
standards high and your ideals
in sight and you will
accomplish your goals. I'm
proud of you.

Love you, Mom

"There are those who pass like ships in the night.
Who meet for a moment, then sail out of sight
with never a backwards glance of regret;
folks we know briefly then quickly forget.
Then there are friends who sail together
through quiet waters and stormy weather
helping each other through joy and strife.
And they are the kind who give meaning to life." -Anonymous

We have been the class where everything has to be different
We all march to our own drummer
And we made it helping to make sure we would all be together today
I am proud to say that I am a member of this class
This hasn't been a smooth ride, but the ups and downs are what make life
exciting
Stay strong and keep marching to your own tune
For success is all in our paths
We just have to recognize where it is leading us
I wish all of you the best in whatever you do and wherever you go
Congratulation Class of 2005!

Dedication

2005

L I S A

We, the class of 2005, would like to dedicate this year's Blue and White to Lisa O'Brien. Our lives are touched by the time and generosity of many people. Over the years Lisa has been more than the face and smile that welcomed us each day. She has challenged us to be our best and to achieve as a class and individuals. She has been present at numerous events, fundraisers, and sporting events no matter the weather. We thank her for seeing us as special and unique.

A black and white photograph of a brick wall. The bricks are dark and rectangular, arranged in a standard running bond pattern. The mortar joints are light-colored and prominent. In the center of the image, the word "ACADEMICS" is written in a large, bold, sans-serif font. The letters have a 3D, blocky appearance with a slight shadow. The word is enclosed within a thin, dark rectangular border.

When did you know you would be a teacher, and how did you come to that decision?

I decided to be a teacher in college. Part of the decision was the result of my father being a teacher.

From where did you gather the inspiration to be a successful teacher?

Inspiration comes from two things. First and foremost, it comes from the students. Second it comes from Francis Bacon's quote, "Knowledge is power."

What are the guiding principles you take into the classroom each day?

Two guiding principles are: 1. We are all capable of learning - maybe not the same thing or to the same degree, but we can all learn; and 2. Learning comes from questioning.

What advice would you offer a new or discouraged teacher?

My advice is to listen to your inner voice; it will tell you if you're doing the right thing. My students are...

The reason I do what I do. They help me see what the world could be like. They remind me of how we should be, how we should treat one another, etc. - something, as adults, we sometimes forget.

DIVISION II STATE CHAMPIONS

"I'm goin' keep the same grin, whether I lose or win
Up or down ten, I'm goin' fight to the end. Let's go!
Ain't no way you can stop me now, 'cause I'm on my way, I can feel my ring comin'.
It's the blood of a champion, pumpin' deep inside my veins, so much pride to be runnin'
I'm goin' get what I can and more.
Here if my blood, my sweat and my tears don't mean nothin'
It's the heart of a champion... in me. - Kelly

With losing seasons being all the girls have known for the past few years, no one expected them to be a major threat in Division II. No one of course, except for the girls themselves, and Coach Peter Quinn. As the season progressed, people began to take notice. The girls steadily rose in both the coaches and VPA polls. The girls continued to defeat harder and harder teams. This included a massacre of the Division II power-house and soon to be first seed, arch-rival~ Mount-Abe. The girls secured the number 3 seed and a first round bye. It soon became clear the girls had their eyes on one thing, Barre Auditorium.

It has been the tradition for years to host pre-game dinners at the players houses. Good food and good company always gets the girls excited for the home games.

The Boys Varsity team had a very successful season. Their quick play and impressive shots kept the fans entertained and on their feet. This talented group of boys continued to improve throughout the season. Through their determination, they were able to clench the number 3 seed in the State Tournament, securing two home games for the playoffs. They easily defeated their first two opponents, and then took the bus ride to Barre, with a legion of loyal fans in V-Town shirts behind them.

Mt.Abe on Senior Night. It could not get any better! The energy was high, the gym was packed, and the boys fed off of it. As the seconds ticked away, Will & George raised their arms to get the crowd on their feet. You could not hear the final buzzer over the triumphant cheer, "NOT IN OUR HOUSE!"

TRACK @ VUHS

2004-2005 has been the year at VUHS. We have just amazed everyone at the talent that comes out of this school. Many would find it odd that a school without a track can do so well in races, but to us at VUHS it is no surprise that our tack team has once again come out at the top. Since Jim Becker started at Vergennes, he has changed the face of track. What went from an individual sport, became a team. Stay-ing after school for many hours, weekend vacation, and even morning practices, he has pushed our athletes to be the best. Winning state titles and blowing away the ther teams with the wind that our young stars have produced is just part of what makes him a great coach. Congratulations to Jim Becker: State Coach of the Year!! Keep up the excellent job, we can't wait to see all the banners your inspiration brings to our gym.

HISTORY IS MADE WHEN THE VUHS VARSITY GIRLS WIN THE STATE CHAMPIONSHIP FOR THE FIRST TIME IN THE HISTORY OF VERGENNES

ROWING

*"For the battle is always more intense when it is
between man and the sea." ~
Herman Melville*

The Vergennes Rowing Team is a club sport at VUHS. It is open to all students in grades 7-12. It is one of the only sports offered all year long. There is a fall season which begins in mid-September and ends late November after the Northeast Regional Youth Championship. The first race of the season is the James Wakefield Rescue Row held in Burlington, Vermont. Vergennes entered two teams and did remarkably well. Team 1 finished fourth and Team 2 finished fifth out of 10 competing teams. For the remainder of the fall season the team continues to practice on Lake Champlain.

The final race of the season is the Ice Breaker! The team travelled to Boston to compete in this Northeast Regional Youth Championship event. The fixed seat open water race attracts over 250 students from around New England. In their division the Vergennes team of Chase Gallison, Patrick McCarthy, Matthias Cormier, Rachel Steponaitis, and Patrick White finished second, just missing first by a mere three seconds! The team of Kara Grimes, Ashley Barnes, Stirling Gibbs, Elayne LaBombard, Elias Baldwin, and Amanda Allen finished fourth in their division. Congratulations rowers for a job well done!

Great Banana Crème Pie!!!

After a short break the spring season begins in January, [I do not know why they call it the spring season] members will begin to prepare themselves for the first race held in the last week in February: The Snow Row, in Boston. After the Snow Row the team will partake in several races traveling from Lake Champlain to as far away as Maine and Massachusetts.

This year we had a group of highly dedicated students who volunteered their time to help create a book full of the memories.

The theme this year is 'Take a Look at What We Have Done'.

Yearbook Staff would like to thank Cookie Step for being the adviser of Blue and White 2005. Without her there would not have been a yearbook at all! Thank you for stepping up to this task Step. We appreciate you so much!

STUDENT

COUNCIL

This year you will be a leader that will start with homecoming being the first week of school. Even with limited time to plan we managed to pull off a very successful homecoming. The point: teamwork was the final competition even though the seniors had a competing class, but whatever!

We have a great group of students on the Council, and I hope we will have a successful year.

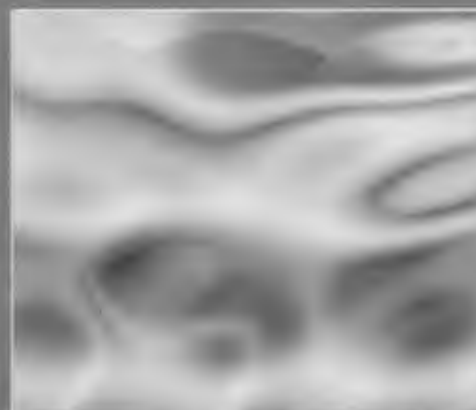

Christy Johnson

The VUHS Student Council is a group of elected members showing the best spirit to our school.

From homecoming activities, to pep rallies, to dances, and on to community service, Student Council never lets. These students have great leadership skills and are the ones to turn to when you need something done.

We have fun, we work hard, we get results. Our leadership goes the way for a great homecoming at VUHS.

Friday the 13th! What a start to our trip. The bus broke down, Turner fell in a snowbank, Mrs. Wiger was slipping out. Valentines day we arrived in Madrid for a trip at a palace, boat rides in the park, and swimming in the Mediterranean. On our vacation we also visited Granada, learned about the different styles of architecture, and made friends with a few of the guys from the other group. One night we got yelled at for a noise complaint that was made by some guys trying to break into our rooms. We lost Theo, actually left him behind [Padge claimed it wasn't on purpose] in Toledo. Visited Hard Rock and celebrated Ali's birthday. One night "Hawaii Shirt Night" we went to Manny's bar "Cafe Baroco" and watched a belly dancer. Mrs. Wiger declined the offer to dance.

Flamenco, a traditional Spanish dance, you might think would be simple to learn, but let us tell you... muy difficile! Rosia, our dance instructor was great at it, years of practice...

All in all this was a trip that can never be forgotten! Amazing memories we will share forever. It was a dream of Padge's and we are glad we were the ones who could join her in making it come true.

SOB'S

Group photo taken by yearbook paparazzi Ali Hodsden of club and mascot. It seems that beards naturally invoke contemplative poses as evidenced by the posers shown here.

THE FIRST OFFICIALLY SANCTIONED BEARD CLUB ESTABLISHED IN VERGENNES HIGH SCHOOL

On the first of October the first official meeting of the VUHS Society of Beards (SOB's) was convened in Mr. Powers' room Beard-H. The founder of the group, the gregarious and fun-loving senior Dan Sleeper, was elected president by way of a very unorganized voice vote where many of the members expressed their support by using various monosyllabic utterances such as sure, yeah, fine, whatever, ugh, and what? The other members of the SOB's including, in no particular order, Brian Raymond, Mr. Wycoff, Mr. P., President Sleeper completed the realms of official documentation necessary to have the club officially recognized so that we could get our picture in the yearbook somewhere. Dan was willing to forgo many homework assignments to assemble the necessary forms and have them blessed by the powers that be. Sleeper was almost quoted as saying "Not doing my homework for this cause was one of the easiest things I haven't not done in this school." Mr. Powers also chipped in by not doing some correcting and other things he should have been doing. He was more or less quoted as saying "I'll do that stuff later. I hope..."

WHAT ARE THE QUALIFICATIONS NEEDED TO GAIN ADMITTANCE TO THE SOB'S?

Many (well actually only a few) males in the school have asked: "Do I qualify as an SOB?" The question when asked in regards to the beard club thing is still in executive council at this time. Some of the main issues revolve around amount of facial coverage and peach-fuzziness issues. The not very vigorous or focused debate is an important one that will affect wearers of facial adornments from goatees and VanDykes to the most likely to be omitted wearers of moustaches and sideburns.

The issue of female exclusion from the club is not as much one of the sexism but hormone-ism. Anyway, the issue is out there but at the time of this newsletters writing we still haven't gotten it together enough to talk about it.

VERGENNES UNION HIGH SCHOOL STUDENT MENTORING

The purpose of the VUHS Mentoring Program is to provide elementary and middle school students with high school friends who will help them academically and socially. Mentoring is a proven program that impacts positively on children's attendance and academic performance. A volunteer helps a young person have a better sense of self and a positive view of the future. A mentoring relationship empowers both the young people and the volunteer to be active in their community.
